Badwell Ash Parish Council Report

FROM THE CHAIR

This April Parish Council was a little different for I was not the Chair of the meeting. The Chair was taken by the Vice Chairman,

Councillor Ed Walsh with the proceedings and business carried out in his own amiable manner.

As a result, more facilities for the village have been agreed to. Long Thurlow will get the return of the bus shelter for the benefit of all but in particular the children as they wait for their bus in inclement weather. Also new dog litter bins and potentially more road safety measures. The Parish Council continue to ensure measures are put in place within the Parish for the benefit of all.

Spring is now with us, all around us is looking brighter but dare I mention it again ,Covid is still with us and tends to be increasing. Do please all take care and stay safe.

Chairman: Clive Hawkins

A symbolic torch will tour the county of Suffolk from Friday 13th May until Wednesday 1st June in order to herald the start of the Festival of Suffolk and the celebrations to mark HM the Queen's Platinum Jubilee. The torch will be carried by selected torch bearers and transported by rickshaw. The torch provides light, symbolising a bright and prosperous future for the county. Its function is threefold:

- to herald the Festival of Suffolk
- to transmit a message of peace, unity and friendship to the people of Suffolk
- to showcase all that is good in Suffolk; places and people

The torch will begin its journey on the county boundary at Brandon and then pass through 250 towns and villages, a distance of over 550 miles, before reaching its final destination at the Suffolk Show in Ipswich.

The TORCH is due in Badwell Ash in the afternoon of Monday 23rd May

 INSPIRING WOMEN

Badwell and Great Ashfield

WI

As I write this I am aware that our world now appears to be going through even more changes and problems. The war in Ukraine, the covid numbers rising and the hike in prices of food, heating, electric and fuel are all taking their toll on families.

Our February meeting with a talk from Gina Saunders about a Nursery School in Malawi was extremely interesting, after which the members enjoyed tasty eats provided by the committee.

For our March meeting we had Paul Seymour from 'Tools with a Mission' who spoke about the unwanted tools, sewing and knitting machines amongst others that they collect and send in kit form to help people in various deprived areas of the world to help them learn a trade and earn from their new found skills. This also proved to be another extremely interesting talk. Should you have any unwanted tools etc they would love to hear from you. They are based in Ipswich - Contact: www.twam.uk/donatetools or ring Paul Daley on 01473 210220 who can arrange a collection.

Our next three meeting – all listed below, are to be held in the Lord Thurlow Hall at Great Ashfield at 7.30pm. Our meetings are held on the second Thursday of each month.

April 14th 2022: This is an Open Meeting when we invite members of the public to join us. Our speaker is Stephen Poulter with his talk entitled "To the Hammer Born" – Confessions of an Auctioneer. All visitors are welcome – both Ladies & Gents - £3 each to include a Raffle Ticket & Refreshments.

May 12th: Is our **Annual General Meeting**. We also have a member from our S.W. Federation who is going to speak about the Associated Country Women of the World or ACWW. This is a charity for which we raise funds by putting loose change in the pot each month to help fund projects within the WI's charitable objects.

June 9th: Our speaker this month is Jane Haggar – Ex Bluebell Girl who will talk to us about her time spent with them.

We would welcome any new members to join us. We are not a huge group but a very friendly one and we invite you come and see what we are all about. All visitors are welcome to join us at £3 to include a raffle ticket and refreshments.

Please feel free to ring me for any further information on 01359 259399.

My best wishes to you all.
