# The Benefice of Badwell & Walsham

## Hexagon

February - March 2025

## HEXAGON

Please send your articles, jokes, fundraising event reports, puzzles, recipes and Church announcements for inclusion in this magazine to the Editor: Debbie on 01359 259686 or [debbielicata33@gmail.com](mailto:debbielicata33@gmail.com)

**COPY DEADLINE** Last date for items for inclusion in the next issue is  
Friday **7th Mar 2025**

The Hexagon is delivered to nearly 1800 households in the villages of Badwell Ash, Finningham, Langham, Wattisfield, Walsham le Willows and Westhorpe.

We have not raised our prices since 2015, but regrettably have had to make a small increase this year.

## **A Season of Reflection, Love, and New Beginnings**

As we step into February and March, the days begin to lengthen, and there is a hopeful sense that spring is on its way. This season is rich with meaning in the church calendar, offering opportunities to reflect, connect, and prepare ourselves for Easter. Let us take a moment to journey together through some of the key dates and themes we will be marking as a benefice.

### **Candlemas: The Light of Christ**

We begin February with Candlemas on the 2nd, a day that marks the presentation of Jesus at the temple and celebrates Christ as the Light of the World. It is a moment to reflect on the light that Jesus brings into our lives and the hope that this light brings as we look towards spring. We invite you to join us for our Candlemas service as we celebrate this beautiful tradition together.

### **Valentine's Day: A Celebration of Love**

On February 14th, many of us will celebrate Valentine's Day, a day that reminds us of the importance of love in all its forms. As we reflect on love, let us remember the greatest love of all – God's love for each and every one of us. This Valentine's Day, consider reaching out to someone who may be lonely or in need of encouragement. A simple act of kindness can brighten someone's day and reflect God's love in action.

### **Mothering Sunday: A Time to Give Thanks**

Mothering Sunday falls on the **30th of March**, and we look forward to celebrating this special day together. It's a time to give thanks for the love and care of our mothers and all those who have nurtured and guided us in our lives. On **Saturday, 29th March**, we are hosting a **Children's Craft Club** where children can make cards, posies, and gifts for their mothers, grandmothers, aunties, or any special person in their lives. It will be a fun and creative way for children to express their love and gratitude.

We will also hold a special Mothering Sunday service, where we will give thanks and share in the joy of family and community. We hope to see you there!

### **Lent: A Time to Reflect and Renew**

As we move into March, we enter the solemn season of Lent. Beginning with Ash Wednesday on the 5th, Lent is a time of reflection, repentance, and renewal as we journey towards the joy of Easter.

Traditionally, Lent has been a time to give something up – a habit, a luxury, or a treat – as a way of drawing closer to God. This year, we invite you to think about doing something new instead. Why not join our **Lent Course** or come along to **Evening Prayer on Fridays at 6pm**? These are wonderful opportunities to deepen your faith, reflect on God's word, and connect with others in our parish.

### **Journeying Together Towards Easter**

As we move through Lent, let us remember that this is a journey we take together. One step at a time, we support and encourage each other as we move towards the cross and the hope of Easter morning.

All the details of our services and activities can be found in this magazine. We warmly welcome you to join us at any time. Whether it is a quiet moment of prayer, a lively gathering, or a thoughtful Lent reflection, there is a place for everyone in our churches across our benefice. Let us walk together in faith, hope, and love towards the promise of spring and the joy of Easter.

*God bless, Revd Catriona*

**Badwell Ash Parish Council**

Badwell Ash lies between Bury St Edmunds, Ixworth, Stowmarket and Diss and has a population of around 900.

The Parish Council is an elected corporate body, with variable tax raising powers, and carries out beneficial public activities such as meeting local needs for amenities such as benches and war memorials, involvement in development planning, providing sports facilities, and speed monitoring.

See <https://www.badwellash.suffolk.cloud/parish-council/>

**The roles: Parish Clerk - and - Finance Officer**

Previously these two roles have been filled by a single person working 18 hours per week. For 2025 we have separated the roles and wish to recruit 2 people, who can work flexibly on part-time hours.

Both roles will now be formally advertised across the area.

**Personal qualities**

For both roles the most needed qualities are good listening, communication skills, team working, and willingness to learn new skills.

Full training will be provided: we are keen to help post-holders develop skills and we will fund their working towards recognised qualifications.

**Location**

Badwell Ash Parish council does not own an office property, and candidates will be expected to work from home.

Because the Clerk's role centres on many face-to-face interactions within the parish, we would much prefer the post holder to live within 30 minutes drive of Badwell Ash.

The Finance role might be filled from up to an hour's drive.

## Responsibilities

Parish Clerk - Responsible for Parish matters; as the professional guide to the Parish Councillors on decision-making, and how our meetings are run.

Needed at all monthly (evening) meetings of the Parish Council. The Clerk must be a well-organised person who takes notes at our meetings to produce a record of decisions and actions, and manages our other employees and smaller contracts.

Finance officer - Acts as lead on our finances, buying, spending and forecasting. Expected to prepare a report in advance of Council meetings, but may not need to be present. Any background experience of book-keeping or accountancy would be very helpful.

The Finance Officer must be a methodical person, able to correctly record, analyse and summarise finance and spend records including VAT (we are not VAT-registered) and to construct budgets, so that we always know how we are doing, and can plan more than 1 year ahead.

## Working patterns

Working hours for both posts will be flexible, reflecting individual needs and work-life balance. We welcome applications from people who are willing to work from home, and may already work part-time.

The Clerk - Estimated 12 hours per week, plus a few special meetings e.g. to brief the councillors before major decisions.

The Finance Officer - Estimated 6 hours per week, plus a smaller number of additional meetings to e.g. to brief the councillors before major decisions such as annual audit and budget cycle.

## Beginners Guitar Ricky Wilkinson MBE [ricky5844@aol.com](mailto:ricky5844@aol.com)

Learning Folk Guitar for children year 2 and up.

Hi. My name is Ricky Wilkinson and I live in Westhorpe. Until lockdown I was teaching guitar in Guildhall Feoffment Primary School in Bury St Edmunds. I also run Phoenix Children's Folk Group based in Bury St Edmunds. Members learn to play and sing plugged in to our sound system for charities, festivals and various concerts.

In Folk Guitar children learn songs to sing accompanied by a variety of plucks and strums on guitar to enable them to perform solo or in a group. My Phoenix group performed all the music for Langham Church Carol Service last Christmas on 12<sup>th</sup> December 2021.

If you know a child who would like to learn to play guitar and sing so they can perform, please email me for further details. I can give private lessons in your home or if there are 6 or more wishing to learn I can use Westhorpe village hall at a suitable time after school which would be much cheaper than individual private lessons. I am DBS checked to teach guitar and run the Phoenix group. Parents are always welcome to stay and watch.

## UK CARE SECTOR

**Question** – Can I find out what personal information is held about me from my Council Social Services Department?

**Answer** – Yes, you can request a copy of the information held about you, called a Subject Access Request (SAR). This could include your housing file, social care file and any other information held about you by the Council. Currently, GDPR does not specify any time limitation for a data subject requesting their personal data and usually there is no fee to pay. The time limit for responding to a subject access request (SAR) is usually one month from the day the organization receives the request

**Question** - My Father, now in his late 70's, has different sized feet. We find it difficult to buy footwear for him other than buying two pairs of shoes in different sizes. My local shoe shop has closed so cannot ask them for any information, can you advise where we could look?

**Answer** – There are online shoe retailers who can help, one of which is Tripalot. They are an online store providing footwear for those who require odd-sized pairs or just a single shoe, they also sell same sized pairs. Their website is <https://www.tripalot.co.uk>

**Question** – I am finding that climbing my stairs at home is becoming more difficult and I am thinking about getting a stair lift but know nothing about them. How can I get advice about this and possibly other helpful equipment for my home?

**Answer** – Stair lifts, other equipment and adaptations are changes you can make to your home to make it safer and easier to move around and do everyday tasks.

Your local council offers a service that assesses your home and recommends changes to help, stair lifts are included. It is called Home Assessment, it is free and carried out by an Occupational Therapist, usually taking about an hour. You can call your local Council to arrange, or you can apply online by going to: NHS UK – home adaptations – social care and support guidance.

**December: Froebel Stars.** Craft Evening with Pippa Baxter.

There was silence in the Priory Room as the WI watched Pippa demonstrate the intricacies of folding a Froebel Star. This was followed by much hilarity as we all tried to copy her. The challenge was similar to origami with just four paper strips; fiendishly tricky, but thanks to Pippa's patience we all had a star to take home with us.

Members also considered the annual resolutions and voted for the cause they considered most worthy to be adopted by the National Federation. The choice (in brief) was between: Incontinence Awareness, Recycling of Medication Packaging, Training for CPR to become more widespread, and Reuse and Recycling of Clothing. All topics that sparked some debate.

**January: Birthday Meal.** Drinks, music, food, games, chocolate!

The members of the W.I. enjoyed a social evening with drinks and a chance to catch up with friends before a delicious meal prepared by Sarah Cousins, followed by games.

### Home Library Service

If health or mobility problems are preventing you or someone you know from visiting a library branch or mobile library, the Home Library

Service volunteers are here to help. The service is free and available from most libraries.

**How it works** Our friendly volunteers will visit you in your home to discuss which books you are interested in, including audiobooks.

Tell us about your favourite authors, genres or non-fiction subjects, and our volunteers will choose a selection of books and order them from the library on your behalf. They then collect the books from the library and deliver them to your door and return any books you've finished. Many titles in our catalogue are also available in Large Print and audiobook form for those who are visually impaired. All our Home Library Service volunteers undergo an enhanced DBS check.

**How to sign up** To find out more about this service and to sign up for home deliveries: Contact your local library

**Norton & District Twinning Association**  
Established 1986

Norton & District Twinning Association is twinned with Muids, Normandy France. It has had a very successful partnership for almost 40 years and is open to all in this area. We have families, couples and single members across the local district. All enjoy the social aspect of the association, meeting up for events such as brunches, quizzes, suppers and dances when they can to name a few. We also try to hold the events across the local area, recently we held one of our popular quiz nights at Woolpit and a Coffee and Cakes Morning at Pakenham Water Mill.

For those who wish to travel to France, we visit every other May. Travel is arranged via coach, ferry or tunnel and some members make their own way there to extend their stay. The village of Muids is a situated close to the River Seine, with countryside views and is close to attractions such as Rouen, Monet's Garden, Les Andelys to name a few.

Local people open their homes to visitors but a stay in paid accommodation is also an option. French speaking is not mandatory but is there for those who would like to use the language. The French hosts usually speak good English. Support from the organising committee is always on hand. There is a warm welcome on arrival, organised excursions for those who wish to participate as well as a soirée evening of good food and entertainment for all.

In 2025, it will be our turn to host here. We are pleased that the friendships between the two areas have flourished and stood the test of time. We believe we may be one of the longest established exchanges. It is also good to know that the association is growing, hence our drive for some new members who would consider hosting.

The dates are arrival in the early evening of Wednesday 28th May - and departure in the early morning of Sunday 1st June 2025. We have a variety of ages joining us for the visit. The new members from Muids include those who are retired, couples and families with children of varying ages. As in France, we will be planning trips out and a soirée. We would also aim to offer meet ups with other hosts as we would want everyone to enjoy the experience and feel supported.

If you would like to find out more, we would welcome the chance to talk to you. Please contact us via [nortontwining@gmail.com](mailto:nortontwining@gmail.com), text or call 07733 471162, follow us or message us on Facebook and Instagram. Look for Norton & District Twinning Association.

We look forward to hearing from you.

### Suffolk's Lost Heritage A talk by local historian Stephen Poulter

Like so many other places in Britain, the county of Suffolk has had its fair share of losses when it comes to the many historic buildings, grand mansions and medieval churches which have disappeared over past centuries due to war, fire, neglect and greed. In this talk local historian Stephen Poulter recreates these vanished architectural gems using surviving period prints and reports from travellers who visited historic places before they were lost forever.

## NOTES FROM THE GARDEN

Hello again, when I wrote last time about how I'd managed to do some digging at the allotment because of the milder winters, I'd forgotten about the wet weather which comes with milder seasons, it has been awful. The allotment is like a marsh even on the raised beds, making it impossible to even stand upon, however the water will eventually soak down to the subsoil and help in the initial spring sowings when the weather gets warmer.

Snowdrops, winter aconites and crocus have finished their colourful display, now's the time to dig up and separate them and plant elsewhere when the leaves are still green thus providing more plants in your garden. Time now to think about placing more water collecting containers around your house and gardens on sheds and outhouses, it's surprising how much this produces to help water your seeds and plants in spring and summer.

If you have fruit trees or large shrubs clear around the base and mulch around them, be careful not to touch the trunks. February is time to cut back ornamental grasses before new growth appears, also prune back hard shrubs like buddleia to improve shape and size restriction.

March is time to prune roses cutting out dead wood and weak stems, cut down to a lower bud with a slanting cut away from the bud. Deadhead daffodils leaving the foliage to replenish the bulbs, or as I do and lift out planted pots pop them to one side leaving a space to fill in your garden.

Now is the time to sow chilli and tomato seeds. Last year my wife purchased a set of propagators complete with adjustable led lights. Placing seeds in the module's and putting the plastic cover complete with lights switched on we were amazed at how quick and successful this was.

Get ahead on the allotment by sowing broad beans and onion sets in individual pots, we use the cardboard inners of toilet rolls filled with compost, you then can plant these straight into the soil when ready.

By the time you read this, the days will be longer, the sunlight stronger, bringing forth a new gardening year full of hope wonder, and WEEDS.

Till next time. Phillip Bennington

## CITIZENS ADVICE

**Are you looking for a new car for work, but can't afford to buy a new one, so you've been looking at second-hand options?**

For many people, buying a car is a major purchase and whether it's new or second-hand, the process can seem daunting and complicated. But don't worry, there's lots of information on the steps to take when buying a car and what you can do afterwards if something goes wrong on the Citizens Advice.

First, where are you going to buy the car? If buying from a trader, choose a trustworthy one with an established name with a good reputation. Ideally, they will be part of a trade association or follow the industry's code of practice.

If buying via an auction, this is much riskier as you'll have fewer legal protections like the right to returns or refunds so carefully read the terms and conditions before you bid.

If buying from a private seller, there's a few extra steps to take. For instance, try to inspect the car at their home address so if something goes wrong later, you have a record of that.

Make sure the car's details are correct by using the DVLA's free online vehicle information checker. You'll need the registration number, MOT test number, mileage and make/model of the car to do this check. Also, check the car's MOT history. Keep a copy of both these results (take a screenshot or download the information) as well as the original advert or description of the car. You might also consider getting a private history check to see if the car's been reported stolen, still has money owing on it, or has been in a serious crash.

Inspecting the car is crucial before buying. Ideally, do this during the day when it's not raining (scratches are harder to see on a wet car) and take it for a test drive for at least 15 minutes and on different types of roads if possible. Check you have the appropriate insurance for a test drive (either your own or the seller's policy might cover you).

Once you've decided on a car, don't be afraid to negotiate on the price. If you take out a loan or finance to buy it, make sure you can afford the repayments over the lifetime of the contract. If you pay with cash, you will have fewer protections than other options like debit.

Often, despite doing all these checks, you might find something wrong with the car after you've bought it. You may have a legal right to a repair, the cost of a repair or some money back but it's on a case-by-case basis.

Citizens Advice Mid Suffolk can provide in depth advice on this issue and much more, including debt, finances, employment, benefits and family/relationships.
