A NEW YEAR BEGINS

What a wonderful way to start 2024 with the Epiphany Singers at Walsham Le Willows Church on Saturday the 6th January, and Sunday 7th January. This has long been our yearly tradition, dating back several decades. It was truly a magnificent evening, and a privilege to have so many accomplished singers, and the conductor, Edward Casswell, and organist, David Hill, in our company. The church was packed with regulars, music lovers from far and wide. We would like to extend our gratitude to all those who facilitated such a wonderful Saturday evening.

On Sunday morning, the benefice welcomed and were privileged to have Dean Joe who preached and presided at the holy Eucharist, as we celebrated the wise men bringing their gifts. We give our thanks to all those who facilitated Sunday the 7th.

January is the season of Epiphany, in which our vestments are gold or white, until the candle mass on February 2nd. This marks the season of light and hope, and is the pivot of the church's year. After completing the 40 days of Mary's purification, it was time for Mary and Joseph to take Jesus to the temple. They are met by Simeon, who had been told that he would not face death, until he saw God's promised one. Once Simeon held Jesus, he said the song of thanks, which we know as the Nunc Dimittis, sung every evening in cathedrals at Evening Prayer. The old prophetess, Anna, also lived in the temple, and she too recognised Jesus.

This story of light and hope, brings Candlemas to a close, in which we gather around with lit candles and take one final look at the crib, and look towards the cross. These lit candles remind us of Jesus, the light of the world.

As Easter is so early this year, we begin counting our Sundays before Lent, until the 14th February, when we are back in the Church's year, to Ash Wednesday, a penitential time for the Church. Of course, the 14th February, also happens to be Valentines Day! Our vestments then change to purple, in which we take six weeks to get ready to celebrate the mystery of Easter.

Finally, we would like to thank Philip and Denise, who left us in August, for their organisation of our church services, up until the end of January. This has been a significant commitment, and we are all eternally grateful for their care and hard work. Without this support, we would have struggled in our next steps. Now, it is up to our six churches: Walsham Le Willows, Westhorpe, Badwell, Finningham, Langham, and Wattisfield to come together, to move forward, whilst we await our replacement, following our advertisement.

We have all pulled together and now must wait and pray for a response to our wonderful villages.

Thank you to all those who keep the benefice churches running in all the many ways.

Rev Jill

ST MARY'S WALSHAM CHRISTMAS TREE LIGHTING AND FETE

Every August Bank Holiday for the last forty plus years Walsham has hosted its Open Gardens; the money raised is used to support worthy village organisations and St Mary's Church.

One of the things Open Gardens does, is to provide a large outdoor Christmas Tree in front of the church. The lighting of this tree has become an important annual event and in recent years a fete has developed inside the church on the same afternoon. This year there were craft stalls, children's activities, teddy tombola, gifts, a raffle, a bottle stall, and a bag tombola.

There were refreshments inside of tea or mulled wine and mince pies, and refreshments outside of beer and pizza. The bells rang out at the beginning, children of Walsham School sang beautifully followed by the Walsham Male Voice Choir. Despite the bitter cold everyone enjoyed the afternoon. The event raised £1007.

EPIPHANY SINGERS THANKS

The Epiphany Singers weekend would not happen without the help of many people in the village who provide accommodation, food and assistance with refreshments etc. This all involves a great deal of organisation to ensure that it runs smoothly.

Fiona Glover has had a major role in organizing this event since 2014, but has now decided to step down from this position. As well as sourcing all of the above Fiona has often had to provide solutions to changes that arose with very short notice.

David and Fiona have also hosted many of the singers for 23 years.

We would like to thank them for their years of supporting this unique event. Walsham is lucky to have such dedicated people.

CHOOSING A NEW RECTOR

Philip Merry retired in August, and since then the various PCC's in the benefice have been working hard towards finding a new rector.

First a document has to be drawn up: describing our benefice, what the villages are like, what the churches are like, how many people live here and what this part of East Anglia can offer.

The document also has to describe what we are looking for in our new rector, and what we can offer to them.

There have been several meetings; and finally at the beginning of December, at a meeting of representatives of all six parishes plus the Bishop of Dunwich and several other people from the Diocese, our document was approved. It is 18 pages of text, photos, maps and a great deal of information.

The advert will now be published on the website of St Edmundsbury and Ipswich, and in The Church Times. A date has been pencilled in for interviews in March. Hopefully we shall have some good applicants. There are also several other vacancies in Suffolk at present.

WHAT DAY IS IT?

FEBRUARY 1st TIME TO TALK DAY Time to Talk Day is the nation's biggest mental health conversation. Happening every year, it's a day for friends, families, communities, and workplaces to come together to talk, listen and change lives.

The more conversations we have, the better life is for everyone. Talking about mental health isn't always easy and sometimes it's even harder to say how you really feel. But a conversation has the power to change lives.

Time to Talk Day is the perfect opportunity to start a conversation about mental health, its run by MIND and Rethink Mental Illness .

MARCH 7th WORLD BOOK DAY The event aims to transform lives through a love of books and shared reading. Its mission is to encourage reading for pleasure and provide every child and young person with the opportunity to own a book.

Each year a collection of special books priced at just £1 are published to encourage children of all ages to get reading and have a book of their own.

Children in primary schools across the UK are then given a £1 book voucher to buy one of the £1 books, or to put towards the cost of any other book. <https://www.worldbookday.com/about-us/>

CITIZENS ADVICE

I've built up a bit of debt and I am panicking. Even though I cut back, Christmas was expensive, my rent has gone up and my paycheque just doesn't stretch as far as it used to. I'm doing everything I can but it's not enough - what can I do?

First of all it's important to know you're not alone in finding things difficult and, crucially, there's support available.

You say you've built up a bit of debt. The first step is to collect all the information you have about your debts. This might include contracts, bills and statements.

Next, make a list of your debts and write down the details of each. This could include whom you owe the money to (this person/company is your 'creditor'); when you first missed a payment; and how much you now owe. You'll also need to make a note of your account or reference number and what steps the creditor has taken to get the money back, eg. sending you letters.

It might feel overwhelming when you see all of your debts written down - but try not to worry, the important thing is that you're sorting them out.

If you're behind on household bills, prioritise paying your rent or mortgage, plus energy bills and Council Tax first. Not paying these bills has the most serious consequences. You should speak to the person or company you owe money to, to see if there are any manageable steps you can take to start reducing your debt.

Once you've got these debts under control, you should look at any other debts like credit card or store card debts, payday loans or missed Buy Now Pay Later payments. While you're looking at the money going out, do remember to consider money that could be coming in. It's always worth checking if there are any benefits that you're eligible for, including support with your energy costs and living costs.

There's a benefits calculator, advice on how to reduce living costs and information on other ways to increase your income on the National Citizens Advice website at citizensadvice.org.uk

THE CLOCK

As another day begins to dawn
A piercing sound I hear
It is the clock beside my bed
That screams at me so near

And as I place my hand upon it
To block its constant cry
The noise is stopped at once – hooray!
So I lay down and sigh

But as I snuggle deep within
The comfort of my bed
The motion of the clock I hear
'Get up, you're not yet dead'

Tick tock, tick tock
The rhythm of the clock
As the time of day is racing by
I shout out loud 'please stop'

But the clock it does not listen
It covers up its ears
So once again I raise my voice
'Be quiet, I'm sleeping here'

Then the clock becomes defiant
As time is on its side
And as its hands turn round and round
I slide down the bed to hide

But even in the darkness
Trapped and all alone
The calling of the clock surrounds me
In the bedroom of my home

And so we start to argue
As it tries to get its way
'Get out of bed you lazy thing
Get dressed and start your day'

This clock it does annoy me
But what is it I can do?
Then suddenly a thought pops up
I'll drop it down the loo!

Then its petty voice can't wake me
In the early morning light
And work will be a distant dream
As I roll over and say 'goodnight'!

Beginners Guitar Ricky Wilkinson MBE ricky5844@aol.com

Learning Folk Guitar for children year 2 and up.

Hi. My name is Ricky Wilkinson and I live in Westhorpe. Until lockdown I was teaching guitar in Guildhall Feoffment Primary School in Bury St Edmunds. I also run Phoenix Children's Folk Group based in Bury St Edmunds. Members learn to play and sing plugged in to our sound system for charities, festivals and various concerts.

In Folk Guitar children learn songs to sing accompanied by a variety of plucks and strums on guitar to enable them to perform solo or in a group. My Phoenix group performed all the music for Langham Church Carol Service last Christmas on 12th December 2021.

If you know a child who would like to learn to play guitar and sing so they can perform, please email me for further details. I can give private lessons in your home or if there are 6 or more wishing to learn I can use Westhorpe village hall at a suitable time after school which would be much cheaper than individual private lessons. I am DBS checked to teach guitar and run the Phoenix group. Parents are always welcome to stay and watch.
